(name) \_\_\_\_\_  
whose **billing address** is \_\_\_\_\_  
and **phone number** is \_\_\_\_\_,  
party of the first part, ("User") and the County of Floyd, Virginia (the "County").

### WITNESS

The County, as part of its governmental operations, operates a solid waste disposal service and provides, for a fee, tipping services to contractors and corporations within Floyd County for solid waste disposal.

The User has requested tipping services upon monthly invoices, and the County is willing to provide the same, under the following terms and conditions to which the User agrees:

- 1) **The current fee charged for tipping is \$55.00 per ton. Tires are \$1.00 per passenger car/small truck tire (per tire) or \$10.00 for tractor-trailer, off-road, or agricultural implement tires (per tire). The fee schedule is attached to this agreement and can also be found at <https://floydcova.org/residents/solid-waste-recycling/>.**
- 2) **All fees due to the County shall be billed to the User at the beginning of every month for the previous month's charges and is due and payable upon billing. The User shall pay all charges within thirty (30) days from the date of the bill. Failure to pay when due shall cause interest at 1.5% per month to accrue and the User shall be responsible for attorney fees and all costs of collection. No further tipping charges will be provided during any period of non-payment and tipping services must be paid for with cash or check until the account is paid in full. Charging services may be declined if the User has failed to pay previous billings in a timely fashion. If charging services are declined, the User may still use tipping services on a cash/check only basis.**
